### **Moderated Discussion :**

From improved operational efficiency, reputational value to risk management, the incorporation of environmental, social and governance (ESG) analysis into investment decision-making offers opportunities for long-term value creation both for investors and society as a whole. Common roadblocks to this are the lack of comparable data, identification and integration of ESG performance criteria.

Shiwaji Bhikaji Zaware, Council Member, ICAI

Seema Arora, Head-CII ITC Centre for Sustainable Development

Manoj Arora, Former Director, Ministry of Corporate Affairs and IICA

Bharti Ramola, Executive Director, PwC

## Round Table Discussion:

Indian stakeholders from the investment, business, financial and sustainability expert communities will discuss in groups the proposals presented by the IIRC, the key themes around the questions of to what extent would integrated reporting help to incorporate a broader set of factors into investment decision-making and improving the company's performances and, what are the key barriers to adoption of such planned framework.

## Closing Address: Way forward for India

15:30-15:45

Rana Kapoor, Founder, Managing Director & CEO, YES Bank

15:45-16:00

\*R.Bandyopadhyay, Secretary, Ministry of Corporate Affairs, Government of India
